

I'll Stand For You

G **D/F#** **em** **C** **D**
I remember that living was so much easier before,
G **D/F#** **em** **C** **D**
I didn't seem it was such a drag.
G **D/F#**
But now I'm wishing it all away,
em **C** **D**
Though I believe in the words that You say,
G **C** **D** **G** **C/G** **G** **C/G**
I am down, lost and confused, what can I do?
G **D/F#** **em** **C** **D**
It's getting harder to believe in all the promise you've given,
G **D/F#** **em** **C** **D**
When everything around me is falling apart.
G **D/F#**
But through the loneliness Your love remains,
em **C** **D**
You will hold onto me, I'll do it Your way,
G **C** **D** **G** **C/G** **G**
I may be on my back, but I'll be looking up to you.
am **D** **C**
Though its getting harder I'll stand for You,
G **C**
So give me the power that I need,
em
Cause You are the one on whom I believe.
am **D**
Yes it's getting harder to stand,
C **G** **am**
But You have shown, I need Your love I want to know,
D **G** **C/G** **G** **C/G**
That You will be there to rescue me.
G **D/F#** **em** **C** **D**
I remember now, when I was innocently serving You,

G **D/F#** **em** **C** **D**
 I didn't know it'd be so difficult to do.
G **D/F#**
 But though I toss and turn all night,
em **C** **D**
 Your love will hold me now I'm all right.
G **C** **D** **G** **C/G** **G**
 I see the tables are turning as I give my heart to You.

am **D** **C**
 Though its getting harder I'll stand for You,
G **C**
 So give me the power that I need,
em
 Cause You are the one on whom I believe.
am **D**
 Yes it's getting harder to stand,
C **G** **am**
 But You have shown, I need Your love I want to know,
D **G** **C/G** **G** **C/G**
 That You will be there to rescue me.

am **D** **C**
 Though its getting harder I'll stand for You,
G **C**
 So give me the power that I need,
em
 Cause You are the one on whom I believe.
am **D**
 Yes it's getting harder to stand,
C **G** **am**
 But You have shown, I need Your love I want to know,
D **G** **C/G**
 That You will be there to rescue me.

am **D** **G** **C/G**
 I want to know, I want to know, that You will rescue me.
am **D** **G** **C/G**
 I want to know, I want to know, that You will rescue me.
C **G/B**
 Rescue me, rescue me.
am **D** **G** **C/G** **G**
 I want to know that You will be there to rescue me.
